# LETTER FROM OUR LEADERSHIP

Dear Girls Inc. Of Chicago Friends & Supporters,

For many of us, we were challenged to maintain a sense of normalcy in otherwise uncertain territory in 2020 and 2021. Our team was tasked with ensuring that the girls we serve felt just as nurtured and supported virtually as they would in an in-person setting. This was no simple task, and our work was made even more challenging by the social unrest seen here in Chicago and other major cities across our nation.

We overcame these precedented challenges and successfully transitioned to a virtual service delivery model that enabled us to remain steadfast in our mission to inspire all girls to be strong, smart, and bold. Our girls, their families, and our team remained resilient and persevered despite the obstacles we faced to meet the needs of today's girls in the era of COVID-19.

Our team delivered more than 1,300 hours of virtual instruction last year, implementing our standard Strong, Smart, and Bold programming in addition to Spring Break and Summer Camps. Programs like Project Bold, Mind + Body, and Gear Girls encouraged girls to think of ways to stay safe, accept their bodies, and learn more about career fields they never previously considered. We also hosted virtual events including a video game coding workshop with Microsoft as well as a Comprehensive Sex Education Live Chat in partnership with the ACLU of Illinois and the Chicago Women's Health Center.

In the height of the pandemic, major cities like Chicago were hotbeds of social unrest, receiving national attention for violent, racially motivated attacks as well as protests that sought to promote racial equality. Our advocacy efforts are reflected through our girls, specifically our Bold Girls Society. This group of fearless young women has partnered with organizations including the ACLU to propose solutions to challenge injustices in all spaces against all people.

At an organizational level, we have proudly taken a leadership role in the fight for racial justice and diversity, equity, and inclusion. We were selected to participate in the national Girls Inc. DEI Working Group and we held a series of professional development training workshops for our staff. Our team developed a powerful diversity, equity, and inclusion statement that firmly expresses our beliefs. Additionally, we updated our strategic plan to reflect our commitment to work toward justice for all.

Throughout the past 18 months, our girls have exemplified resilience. Transitioning back to school via hybrid learning models and pivoting to embrace a “new normal” speaks to their ability to overcome adversity and persist in their pursuit of their educational and career dreams and goals.

On behalf of our girls, our board, and our staff, we offer our deepest thanks to all of you for being continued supporters of Girls Inc. of Chicago. Your support ensures that girls can identify and discuss stress management techniques, learn self-defense, analyze and create more reflective and accurate media messages, feel hopeful about the future, and exude leadership. With a strong and supportive community, girls can make positive decisions for their lives and the world around them.

Thank you for being a part of that community.

Arshele Stevens      Wendy Garrett  
CEO                      Board Chair

***OUR MISSION IS TO INSPIRE ALL  
GIRLS TO BE STRONG, SMART,  
AND BOLD THROUGH DIRECT  
SERVICE AND ADVOCACY.***

## **We envision a city where:**

- Girls are confident and believe in themselves, thus they are happier and lead fulfilling lives.
- Girls do not buy into stereotypes and therefore are not hindered by them.
- Girls are educated and can connect their education to the workforce and careers.
- Girls can adequately care for themselves and their families.
- Girls are socially conscious.
- Girls give back to their communities.
- Girls leverage resources both - internal and external - to their communities.

## **We believe that:**

- Gender and racial bias exist.
- Diversity is a key component to accomplishing our administrative and programming goals.
- Girls benefit from exposure to high-achieving women with whom they identify.
- The Girls Inc. Experience will make a difference in each girl's life.
- Girls Inc. of Chicago must produce results backed by evidence.
- Girls 5 & 6 years old are a priority.

# OUR COMMITMENT TO DIVERSITY, EQUITY, INCLUSION, & BELONGING

Girls Inc. of Chicago wholeheartedly embraces our mission to inspire all girls to be strong, smart, and bold. This mission is driven by our vision of a world where all have boundless opportunities for prosperity and safety no matter their zip code, skin color, family income, sexual orientation, country of origin, religion, age, gender identity, or disability.

We believe that to move from equality as a vision to a reality, we must accept that:

- Diversity is achieved through individuals from all backgrounds feeling as though they have a place at Girls Inc., that they belong.
- It is our responsibility to understand how to create a belonging environment.
- Staff, board members, partners, our girls, and their families must be included in this pursuit.
- Belonging is not a destination but a journey. We must continue to research and reflect on our practices to remain astute when being actionable against the issues.

**Contact us at [strongsmartbold@girlsincofchicago.org](mailto:strongsmartbold@girlsincofchicago.org) if you would like to partner with us to create diverse talent pipelines of young women at your organization.**

In 2021, we openly acknowledge the African American community, Immigrants with a keen focus on those who identify as Latinx, the LGBTQIA+ community, the Asian community and individuals with disabilities.

Within these populations, discrimination and exclusion have exacerbated the diseases of poverty, mental illness as well as the need for safety, independence and choice.

With these understandings, Girls Inc. of Chicago will be able to proudly celebrate the rich diversity of the neighborhoods and girls we proudly serve, our staff, our board, and our partners. We will remain unwavering in our commitment not only to providing safe spaces and programming for all who identify as female to learn and grow; but also offering a welcoming and inclusive work environment that enables our staff to bring their authentic selves to work and thrive as professionals.

# OUR PROGRAMS

## Bold Expressions

Through the generous support of Janaina Hees and the Hees Family Foundation, Girls Inc. of Chicago launched our Bold Expressions program in March 2021.

Our Bold Expressions program (in partnership with nonprofit arts organization SkyArt) supports girl growth by empowering girls to learn and share about their personal narratives through the creative arts. Through Bold Expressions, girls learn how to become socially and emotionally intelligent, civically engaged, and see themselves as advocates. This initiative is a part of our citywide programming and therefore is available to any girl who attends any school in Chicago. Girls who participated in Bold Expressions during our summer camp met viral poet Leslé' Honoré who helped them create and perform their poems.

## Bold Girls Society

Our Bold Girls Society cultivates emerging leaders. The group, composed of teens who attend high schools across the city, learn about topics impacting women and girls and create a yearlong advocacy project to address a specific issue. Prior to the pandemic, areas of focus for the group have included sexual harassment, sexual violence, and reproductive health. This year, our Bold Girls Society created an Instagram account to address body positivity among teens and young women called "The Mirror Me Project". Additionally, the girls led a presentation where they informed community members about body positivity.

***“OUR ACTIVITIES REMIND ME THAT THE MOST UNEXPECTED PEOPLE CAN MAKE THE BIGGEST DIFFERENCE IN THE COMMUNITY.”***

*Ava, 15, Bold Girls Society Member*

## College Success

We launched our College Success program in fall 2020, to help our graduating seniors make college completion a reality. Our organization provides the scholarships, mentoring, and comprehensive support that our girls - now enrolled in their freshman and sophomore years of college - need to enroll in and graduate from college and pursue their career dreams.

***“I ALWAYS KNEW I WANTED TO DO SOMETHING IN STEM, BUT I WASN’T EXACTLY SURE WHAT. GIRLS INC. INSPIRED ME TO PURSUE A CAREER IN COMPUTER SCIENCE.”***

*Chenille, Sophomore, University of Illinois at Chicago, College Success Participant*

## Summer Kickback Series

We are particularly proud of the impact that we have made here in Chicago to help girls and their families cope during the pandemic and periods of social unrest. We were selected to serve as a host organization for Chicago’s Summer Kickback Series. Through the Summer Kickback Series, we not only provided a series of teen-led, family-friendly community events in the Roseland community on the South Side, but we provided employment opportunities for 12 teens and young adults as well. This program, which reached more than 500 residents, provided a safe, fun way for youth and teens to spend the summer.

# NONPROFIT OF THE YEAR AWARD

In May 2021, Girls Inc. of Chicago was recognized by the Young Nonprofit Professionals Network (YNPN) Chicago as its 2021 Nonprofit of the Year. This recognition is a testament to the hard work of our leadership to retain highly qualified, dedicated professionals and to our team who are laser-focused on helping girls reach their fullest potential.

# SHE SHINES

Through She Shines, Girls Inc of Chicago's signature leadership development program, we recognize extraordinary women who give back to women and girls across Chicago. During our March 2021 She Shines event during Women's History Month, we acknowledged the following women:

**Angela Esposito**

Senior Manager of Education  
Chicago Architecture Foundation

**Phaedra Leslie**

Director of Business Relations and  
Economic Development  
Chicago Cook Workforce Partnership

**Karen Foley**

CEO  
Juvenile Protective Association

**Susan Sadlowski Garza**

City of Chicago, 10th Ward Alderwoman

**Leslie McKinney**

Executive Director  
Black Women in Science and  
Engineering (BWISE)

**Veronica Johnson**

Co-Pastor

**Lindrea Reynolds**

Founder and Executive Producer  
Next Level Brand Behavior

**Whitney Morrison**

Opera Singer, Soprano  
Chicago Lyric Opera

# OUR PATH FORWARD

We began our work in Chicago with 65 girls at Ruggles Elementary, located in the Greater Grand Crossing community on the South Side in 2017.

Since then, we have expanded our reach to 6 additional schools including Aldridge, Clay, Libby, and Elementary Schools and Perspectives Math & Science Academy. We served 800 girls in 2021 through our life-changing school-based and citywide programs.

In June 2021, our board approved our 2022 Strategic Plan, which focuses on increasing our organization's capacity to make a greater impact in the lives of Chicago girls by addressing five critical pillars:

1. excellent programming
2. revenue and fund development
3. public relations
4. operations and efficiency
5. social justice

In alignment with our commitment to social justice, we have been working to ensure that we provide an environment for our girls and our staff where everyone feels that they belong. We created a diversity, equity, inclusion statement and have initiated a series of ongoing workshops to provide the professional development training that our staff need to create a welcoming environment for girls and their colleagues.

## Associate Board

Girls Inc. of Chicago is looking for early to mid-career professionals, who are passionate about making a difference in the lives of girls, to join its Associate Board. Through their work, Associate Board members will make a meaningful impact in the community by amplifying our messaging and raising funds to help support our programming. Contact us at [strongsmartbold@girlsincofchicago.org](mailto:strongsmartbold@girlsincofchicago.org) with questions and to learn more about how you can join our Associate Board.

## Volunteering

From hosting supply drives to guest speaking engagements and much more, there are a variety of ways that you can volunteer your time to support Chicago girls.

Below is a list of currently available volunteer opportunities:

- College Success program mentors
- Hygiene supply drive hosts
- Gliteracy Guides
- Group mentors
- Social media ambassadors
- Vaccine education outreach

We ask that volunteers agree to spend at least one hour a month with our girls and complete a criminal background check. Contact us at [volunteer@girlsincofchicago.org](mailto:volunteer@girlsincofchicago.org) to learn more about available in-person and virtual volunteer opportunities.
